Additional patio space off the family room provides even more area to entertain, grill or just relax with your favorite drink. Off the kitchen is the combination mud/laundry area (washer & dryer new in 2022), that leads to your two-car garage, and is the perfect space to drop your shoes or bags when

entering the house. An additional room for home office completes the main level. The upper level features an expansive primary suite with walk-in closet and spacious attached bath. The updated en suite bath has a separate soaking tub and shower, as well as dual vanities that are great for busy schedules and providing extra storage. Three more sizeable bedrooms and a second updated bath are included on this level. The expansive recreation room in the lower level offers endless entertaining options and includes a third full bath. An additional bonus room makes for a fantastic guest room, exercise, office or learning space. A huge storage room and workshop area finish off this level. HVAC replaced in 2020. Storm door new 2022. Architectural shingle roof. This property is in a fantastic location for shopping, restaurants, parks, the Y, airports and commuting to both Baltimore and DC.
